

‘STANDARD’ LAP DANCING CLUBS – MY EXPERIENCE OF

With these, the stage dances aren't nude – to see a girl nude you have to have a 'Private dance' with her, which usually costs £20 - £30.

They are very nice, of course. [The 'chains' like 'For Your Eyes Only' are of this type]

But you need quite a bit of money. You will be expected to have a Private dance quite frequently.

I have been to these places a few times (not often) [not nearly as often as the 'A pound in a pint glass for a dance' places].

Each time I got through about £200 in less than an hour and a half. It was a good thing that was at a time when I was quite flush with money.
